Huw Grenfell BEng(Civil) (fresher 2006)

I believe I can add value and, working with the other members of the board, help guide the College's strategy moving forward. I would also look to assist the Board with a fresh perspective on the various issues that arise in today's environment. My aim is to help sustain Wesley as a respected institution that my 1.5 year old (and other future children) would be proud to attend.
